

Sharpie® ROLLER

NEW

0.5mm

ENGINEERED FOR PRECISION

Sharpie Roller

High performance meets a rollerball pen in the Sharpie Roller. With bold rollerball inks, this Sharpie pen delivers always-vivid writing. The arrow point tip (0.5mm) creates bold lines, while the premium metal clip gives the pen a professional finish. Finally, the translucent grip lets you easily identify the ink color. The rollerball ink is available in black, blue, and red.

- Always-vivid writing
- Arrow point for bold lines
- Premium metal clip for a professional finish
- Available in three colors
